

GRANT CYCLES And How To Apply

The Legacy Foundation of Southeast Arizona is a private foundation that grants funds to those entities promoting population health and community wellness in Cochise and eastern Santa Cruz counties. The grants are issued as described below.

General guidelines for all grants available on Grants page

Responsive/Competitive Grants:

No LOI. Application opens April 5, 2021 and closes May 3, 2021 at 4:30 PM. Online grant workshop webinar will be posted on the website by March 29, 2021.

Each year the Legacy Foundation of Southeast Arizona collaborates with The Arizona Community Foundation (ACF)-Cochise. Cooperatively each organization funds grants up to \$5,000 for one year.

The Legacy Foundation accepts applications for grants pertaining specifically to *population health and community wellness*. All other grant requests are made directly to ACF-Cochise

Strategic Grants:

Grant Cycle dates are pending.

Only when we work together can we improve the health of our communities. By tapping into and increasing the community's capacity for identifying and addressing significant health-related issues, we continue to leverage assets and networks.

The most effective and positive changes are accomplished through partnerships and collaborations with other organizations focused on common goals. Rarely does one organization have the perspective to see all aspects of how complex problems affect people and very few organizations have the time, money and people to address all aspects of a problem.

Each year the Legacy Foundation of Southeast Arizona Board identifies a strategic focus and encourages community organizations providing services within that focus to apply for funding. Because partnerships are so critical to success, organizations are encouraged to submit applications that reflect collaboration with other organizations.
